

Word Adv Exercise 06 Directions

Insert Ribbon Tools

- Open **WordAdvExercise05**. This file is located in the ICS-Tech Lab Web Page, **8th grade** link. **Save** this file correctly. It will be a “0” if it’s not saved correctly.
- Using Insert tools: Illustrations, Media, Links, Header/Footers, Text, and Symbols create a similar Newsletter like this example below.
- Topic - Science
- Layout 1 page, margins 0.5 all around
- The following are also required:

• Images	• Smaller sections word count 60-75 each (Plagiarism Check!) 4-7 sections (if 4 are done, the rest must be done well!)
• Text effects	• Main section word count – 150 (Plagiarism Check!)
• Paint bucket	• Links

Rubrics:

<ul style="list-style-type: none"> > There is very little similarity to newsletter example > File naming was not done correctly > Missing File 	0-69 Points
<ul style="list-style-type: none"> > A few tools were used to create the newsletter. > However, More tools that were taught could have been used. 	70-90 Points
<ul style="list-style-type: none"> > Very good newsletter design and layout. > Good presentation. 	91-100
