

PowerPoint Exercise 3:

Directions:

- Blank Slides-

In this exercise you are to create a PowerPoint presentation about **4 animals**. You may choose any animal you wish. Use these instructions to create the slide show:

- Create a slide show with no slide design template
- Save your presentation as **LastFirstName-PPTExercise03.ppt**
- Your first slide is a title slide but you ***may not*** use the title slide layout - it must be a blank slide that you design yourself.
- Your slide show must have a minimum of 5 slides (1 title slide and 4 content slides).
- You must use pictures and text to tell all about the animal you chose.
- All your slides will be blank slides that you design yourself.
- Add slide transitions to all your slides when your presentation is complete.
- Save file in the correct location
