

PowerPoint Exercise 4:

Directions:

Custom Animation

- Create a new slide show in PowerPoint.
- Save the presentation as **lastFirstName-PPTExercise04.ppt**
- You are to place one blank slide in the slide show.
- Use this **single slide** to tell a children's story. This must be a common story such as Cinderella.
- Your story must be timed so that it starts automatically when the presentation opens.
- Everything must happen automatically so that the viewer of the presentation does not have to press any keys or click the mouse.
